

Directions:

Use the information on the cards to label the map.

For example, "Arabs are found in North Africa" tells you to write "Arabs" on the northern part of Africa.

Name: _____

Period: _____

"Africa is home to many different religious traditions. All of the great world religious traditions are in Africa including *Buddhism, Hinduism and Judaism*. However, the vast majority of Africans from across the continent identify themselves with one (or more) of three religious traditions: *indigenous African religions, Islam, and Christianity*."
