

MULTI Cause & Effect

CAUSES

EFFECTS

Cause & Effect

- Write down each piece of evidence on a slip of **pink (cause)** or **blue (effect)** paper.
- You should only have **one** piece of evidence per slip of paper.
- **Do not repeat** the same information on different sheets of paper.
- **Cite** your evidence by telling what paragraph it came from.
 - Example: Here is an example(par 2).
- You **DO NOT** have to have the **same amount** of **each color**.
- You should have at **LEAST 1 fact per paragraph**.

Strategies

- Partner 1 = cause
- Partner 2 = effect
- Paragraph by paragraph (take turns)
- Partner 1 = even # paragraphs
- Partner 2 = odd # paragraphs
