

Causes of instability and the effects

Section 3: Choose 4 items from section 2 and explain how it contributes to government instability.

1. \_\_\_\_\_ leads to instability because \_\_\_\_\_.

2. \_\_\_\_\_ leads to instability because \_\_\_\_\_.

3. \_\_\_\_\_ leads to instability because \_\_\_\_\_.

4. \_\_\_\_\_ leads to instability because \_\_\_\_\_.

Section 4: Using the Africa Data Comparison Chart, rank the countries in order from 1-5. Country 1 being the most unstable and country 5 being the least unstable of the five. The United States is included in the chart only for comparison purposes and will not be ranked. For each country, provide evidence from the table to support your ranking.

Country 1 \_\_\_\_\_ -  
\_\_\_\_\_  
\_\_\_\_\_

Country 2. \_\_\_\_\_ -  
\_\_\_\_\_  
\_\_\_\_\_

Country 3. \_\_\_\_\_ -  
\_\_\_\_\_
