

"War" - Bob Marley

principles; ideals
Until the philosophy which hold one race superior
And another
Inferior **better than**
Is finally **lesser than**
And permanently
Discredited - **no longer accepted**
And abandoned - **thrown away**
Everywhere is war -
Me say war. **rally cry - People to rise up! Fight!**

That until there no longer
First class and second class citizens of any nation
Until the colour of a man's skin
Is of no more significance than the colour of his eyes -
Importance Me say war. **Equal Rights for All!**

That until the basic human rights - **Basic human rights**
Are equally guaranteed to all,
Without regard to race - **in reference to**
This Dis a war. **is a fight**

That until that day
The dream of lasting peace,
World citizenship - **Treated the same way.**
Rule of international morality **Right/Wrong decisions made/**
Will remain in but a fleeting illusion to be pursued, **Committed by the**
fading But never attained - **dreams/goals** **Europeans**
Now everywhere is war - war.

And until the ignoble and unhappy regimes - **harsh/cruel**
that hold our brothers in Angola, **governments**
In Mozambique,
South Africa

below-human Sub-human bondage - **slavery**
Have been toppled, - **fallen**
Completely, totally Utterly destroyed -
Well, everywhere is war -
Me say war.

War in the east, **All of Africa was engaged**
War in the west, **in some kind of conflict**
War up north,
War down south -

War - war -
Rumours of war.
And until that day,
The African continent
Will not know peace,
We Africans will fight - we find it necessary -
And we know we shall win
As we are confident
In the victory

Of good over evil -
Good over evil, yeah!
Good over evil -
Good over evil, yeah!
Good over evil -
Good over evil, yeah! [fadeout]
